#### **About the product:**

Love the format, nice to see your design mounted for gallery hanging! One thing that would make these better is if the folds were made so that they were not visible from the sides, but rather the top and bottom.

#### **About the print:**

Silky smooth and the canvas has a sparkly sheen to it.

**About the product:**

I love that you can take a picture of your room and see how the canvas would look in your space! that made it really easy to see what size to make, and the designing tool was very easy!

**About the print:**

I was worried because I kept getting a message that the product may be too large and become pixelated, but I knew the camera used had very high resolution so I took a chance! It really is beautiful! I wanted to surprise my fiance and he was home when the HUGE box arrived! It was packaged quite well with loads of those puffy air filled bags! Like a clown's hanky coming out of his pocket! Maybe could have used a smaller box, but no complaints! It arrived safely! My fiance loves it and we proudly hung it on the wall that night!

**About the product:**

I love it- These canvas were small ones and the quality and use for the product held true.

**About the print:**

Great. This print needed to redone and Zazzel bent over backwards trying to help and get these prints out to in time. The overall quality of color and canvas was always great, we had a "placement" issue which was corrected and the second ones were perfect!
