Introduction

COMPANY

Golden Phoenix body art is the premier supplier of body painting & temporary tattoo products in China. As the first domestic manufacturer, we filled the vacancy of airbrush tattoo market of China in 2002. Soon after, we added body art series products like body paint, fake blood, glitter tattoo, hair chalk, tattoo spray, airbrush tanning, airbrush nail etc, and founded the brand name: Golden Phoenix.

All the inks and paints we produce are nontoxic, safe to use on skin. Made by FDA approved ingredients, our paints passed CE and FDA certification. Furthermore, our company passed ISO9001 certification in 2007.

Golden Phoenix body art, with rich product line, is popular at home and abroad. We adhere to the "high quality, good service" to fully meet customers' requirements.

Chief Designer

Mr. Cui YuFeng who graduated from ShenYang LuXun Academy of Fine Arts, went to Denmark in 1988 to study graphic design, In 1996, he set about doing airbrush tattoo business in Copenhagen of Denmark.

In 2002, he brought the airbrush tattoo business in China. cooperated with Baoding Oupu Electronic Science and Technology Co., Ltd. and founded the brand name: Golden Phoenix. As the chief designer of Golden Phoenix body art, Cui Yufeng offers technical support and operating guidance.

Tattoo Aircan Stencil in Different Sizes:

Airbrush Nail

Nail Ink

Golden Phoenix airbrush nail ink is water based acrylic ink. The color is bright and can bring an ideal effect for the nail art works. The ink particles are also very fine and this can greatly reduce the possibility of airbrush clogging.

At present, we have 45 colors available.

Ingredients: Water, Acrylic Acid, Titanium Dioxide, Iron Oxides, FD&C Blue No. 1, FD&C Yellow No. 5, FD&C Red No. 40, D&C Red No. 7.

Common Ink

Pearly Ink

Fluorescent Ink

Nail Stencil

Golden Phoenix airbrush nail stencils are made from transparent mylar material. They are reusable and easy to clean.

16sets, 20 sheets/set

Each stencil sheet comes with a vivid collection of designs and packed in one opp bag.

Airbrush Tanning

Character:

1. Made by FDA approved ingredients, airbrush tanning is safe and nontoxic.
2. Airbrush tanning is not a dye. The primary ingredients in the tanning solution works with the amino acids in the top layer of your skin to produce a natural tan exactly like the sun, but without damaging your skin.
3. The airbrush tanning formula won't rub off on your clothes, once the tan is set.
4. Airbrush tanning fades gently just like a real suntan.

Ingredients: DHA, Water, Caramel Pigment, Polysorbates20, Glycerin, Propylene Glycol, Erythrulose, Witchazel hydrosol, Aloe Extract, FD&C Red No.40, FD&C Yellow No.5, FD&C Blue No.1.

Package form: 1 gallon, 1000ml, 500 ml, 100 ml.
We can also make other package forms according to your requirements.
