About the product:

Gave this as a Christmas gift--it looks so much more expensive than it was. My husband is crazy about it!! Beautiful quality, doesn't need a frame with the wrapped canvas. I will be back to buy more..if you buy one of these you won't be disappointed!!

About the print:

Looks handpainted! BEAUTIFUL printing. I am so happy with this purchase!

About the product:

This canvas was purchased as a "test" to see exactly what the quality of these canvases was going to be. And I was not disappointed. The colors are every bit as vibrant as my original digital painting. I do wish that it wasn't stretched quite so tight as there was a bit of "curving" on the bottom decorative edging due to it being pulled too tight in the middle. But the printing was perfect.

About the print:

The printing was absolutely gorgeous =)

About the product:

very well made canvas!

About the print:

The printing was good except is seemed a bit on the yellowish side. I would have liked it to be a little more true to life colored but it was good enough for me to keep.

About the product:

It turned out very nice when i finally received it. great job. It just didn't come before father's day like the shipping guarantee stated if you ordered by a certain date so i was not happy with that.

About the product:

We really couldn't be happier with how the print turned out. Ordering was easy (in part because we've done this before with Zazzle and understand the process), it showed up on time very well packaged, and the quality was first rate.

About the print:

The printing was great and met our expectations (probably exceeded our original expectations, but we've ordered canvas prints from Zazzle before, so now they're pretty high). This was one of a set of 3 images showing the progression of a sunset.
