Premium Wrapped Canvas (Gloss)

Zazzle's gloss canvas is made from an additive-free cotton-poly blend and features a special ink-receptive coating that protects the printed surface from cracking when stretched. Made with a tight weave ideal for any photography or fine art, our instant-dry gloss canvas produces prints that are fade-resistant for 75 years or more.

About the product:

Quality; Would be proud to hang it anywhere or give it as a holiday, birthday gift or whatever.

About the print:

The colors popped off the canvas. The print quality was great. There was enough saturation of colors and should go well with a multitude of wall colors.

About the product:

This was a trial and error purchase. I couldn't be more pleased. The wrapped canvas photo was beautifully done, shipped quickly and well packaged. Ordering was easy and I liked the options available. Of course all the rest is personal knowing that Stacey was the photographer.

About the print:

Colors were just as appeared in photo. Even better than I expected. Detail is very good, considering the size from original photo.

About the product:

I bought several canvas prints with a coupon because I wanted them for my own home, but also because I'm planning to sell photos on Zazzle and wanted to check the quality of their products. Not only what the pricing lower than other websites, but the production was super fast. Just a few days after I placed my order, my prints shipped and they arrived to my house a couple of days later.

About the print:

I had no idea canvas prints came with already installed hanging wire, so it was a nice surprise. The colors look great and deep, just like I had set them in Photoshop. I'm very happy with the results and I'm now a Zazzle fan. I hope to be able to open my Zazzle store in a few weeks and make other customers happy.
