Just received confirmation from the person I bought it for. She is very happy with the beautiful canvas.

#### About the print:

Though this canvas was smaller from the x-large I bought, she said you were able to read the print.

**About the product:**

I LOVE the product, I just had issues with the printing.

**About the print:**

I ordered one printed wrapped canvas using a black and white digital image and it turned out BEAUTIFULLY!! then order two more (using different b/w images) and the color printing was off". My black and white images had a greenish tint. There was definitely a printing problem. Zazzle was fabulous and didn't charge me. But, I am hesitant to invest more effort in re-ordering this product.

**About the product:**

I first bought some canvas prints from Zazzle when they were introduced at a special price. I got five. Each and every one was FABULOUS. The image was crystal clear, the texture was wonderful, they were ready to hang, the edges were neatly wrapped -- not a flaw in the bunch! So I decided to go out on a limb and order one for my friend for Christmas. We were at a Boxing Day party at her house when she opened it. Everyone wanted to see "what" it was, and they all marveled at how great it looked. She wanted to stop the proceedings and put it up on the wall right away! It was a hit. She couldn't believe I got it from Zazzle. But I did, so there! Another TERRIFIC product!!

**About the print:**

The printing was crystal clear and bright. The image was SO clear, that we could read what people had carved into the tree trunk in the background!

**About the product:**

The replacement canvas-wrapped print is exactly as advertised! The original print arrived with a slight ding in the frame. After photos of the damage were sent to Customer Service, a replacement print was sent without delay. I'm very pleased with the prompt and willing response to this matter.

**About the print:**

The print quality is excellent. Colors are true - it's like reliving the moment we took the photograph!

**About the product:**

This was given to new parents who named thier daughter Poppy. The fact that you can personalize this is wonderful because it was stay in her room as she grows. It isn't strickly for baby. I loved and so did our friends. Also love the fact you can choose the size and really like the look of stretched canvas without a frame.

**About the print:**

Quality was really great.
