About the product:

This was my first purchase from Zazzle and I am thrilled with it. The quality of the canvas is very high quality. I used a coupon so the value is great. I don't know if I would purchase it without the 50% off coupon though, that is rather pricy.

About the print:

Very high quality printing! The image is beautiful!

About the product:

This was bought for a long time friend who loves Mucha's art. I had it done in canvas because it is so light and makes it easy to hang. She was elated when she opened it and thought it was beautiful. I liked that I could choose the thickness of the canvas and the size and the pricing was very reasonable. Thank you!

About the print:

Just as pictured

About the product:

The picture downloaded correct when I placed the order but didn't look as good once I got the canvas.

About the print:

The printing was very disheartening because I have ordered several other canvases before and have LOVED them. This one's colors are all blurry and it just didn't turn out very well on the canvas. I wish I could send it back and have it reprinted and the coloring be changed a little because there is this pink glowy sheen to the picture that isn't clear and crisp as the other canvases I have had Zazzle make for me.

About the product:

The product itself was top notch. The supporters were high quality, the stretching was taut and even, and the frame even included hangers, which I thought I was going to have to add myself. The only downside was that this product arrived a week too late to be given to it's intended recipient. The estimated product delivery time was given, and I ordered based on that. However, When the delivery date came and went, I called only to find that because of the Christmas rush, the product was not only late, it hadn't even been made yet! One would think that a delay of that long would have resulted in an email or something to let the customer know of the delay. I know have a wonderful portrait stuck behind the sofa, because the original recipient has left for Europe (It was to have been packed in their shipping container) and it will simply cost too much to ship it. I can't complain about the quality of the product. The diligence of the customer service department is another story.

About the print:

The colors were exactly as on the artwork sent, and the image quality was exceptional. I'd order this product again

if I were confident that the delivery time would be as stated.
